Gordon McHenry (#970) has sent in a fax copy of an interesting Perfin on postcard. The card is franked with the one-cent U. S. parcel post stamp, tied on witha 1914 "U. S. Postal Agency, Shanghai, China" cancel, and bears the B.A.T./Co Ld Perfin of the British American Tobacco Company Ltd. The message on the card indicates private usage. It is interesting to note that this same Perfin is known on stamps of Great Britain, China and Japan. Does any member know of other U. S. stamps bearing this Perfin?
